# EXPEDITION OF THE ALLIES.

Eight Thousand Going After Liu

TOOK A DEFIANT ATTITUDE

Told Powers if They Wanted Him to Retire They Had Better Come and Compel Him.

London, April 16 .- A dispatch to the Reuter Telegram company from Pekin, dated April 16th, says that Gen. von Gyle, in command of 5,000 German and 3,000 French troops, is heading an expedition to attack Liu Hullu (Liu Kang Ting?), who is at Hui Lu within 120 miles of Poa Ting Fu. Liu's position is inside the territory defined by Field Marshal von Waldersee as the sphere of operations for the allies. Liu has 10,000 men and has refused to retire, saying that if the allies wished him to retire they had better come out and

retire they had compel him to do so.

The Pekin correspondent of the Daily
The Pekin correspondent of the Daily
Mail says he thinks the aggregate of
the lad mail les demanded by the powers
the lad mail les demanded below £50,000,000,
will not be reduced below £50,000,000, and sids that "it cannot be too strong-ly pointed out how serious a danger would result from too excessive reduc-tion of claims. If the powers fail to re-coup their actual outlays," he says, "they are likely to seek compensation by separate secret arrangements with Pekin, which would infallibly lead to grave complications." uld result from too excessive reduc-

REFORMS IN CHINA.

London, April 17.—Dr. Morrison, wir-ing to the Times from Pekin, yester-day, says: "At the meeting of the ministers of the powers today it was decided to adopt the recommendation of Mr. Rockhill, giving effect to article 13 of the joint note concerning the re-form of the tsung-li-yamen, and the modification of the court ceremonies.

"It was agreed that in place of the tsung-li-yamen there shall be a walemu-pu, or board of foreign affairs, having precedence over other boards. It is to consist of a president, who shall be an imperial prince, and of two ministers, one being the president of a board, and the other a member of the grand council, with direct access to the emperor. There will also be two vice-ministers having knowledge of foreign affairs, one of them speaking a modification of the court ceremonies. foreign affairs, one of them speaking a reign language.
"With regard to court ceremonial, the

ministers of the powers when about to be received in audience, will be con-veyed in imperial chairs to the palace through the central gateways, and be received in the halls where the emperor received in the hans where the emperial is accustomed to enterrtain the imperial princes; and they will be shown honor equal to that shown by European sovereigns to foreign ambassadors."

### Christian Science in Germany.

Berlin, April 16,-The press of Berlin is again devoting attention to the efforts of the Christian Scientists in the American colony, who are now holding two services every Sunday, one in English and one in German, at the pri-vate residence of an American. The press generally argues against the

## Loomis Repudiates an Interview.

New York, April 16 .- F. B. Loomis, United States minister to Venezuela Caracas, which arrived tonight from San Juan. When seen on board the vessel Mr. Loomis refused to say anything regarding Venezuelan matters except that President Castro seemed to be firmly seated when he left Venezuela. When asked if he intended o return to Venezuela he said that he did not know, as he had not given the matter a thought.

however, in reply to uestions, said that it was untrue that he had expressed himself regarding Gen. Castro's attitude toward Americans, nor had he said anything about Gen. Andrade. Mr. Loomis will re-Gen. Andrade. Mr. Loomis will re-main in New York for a few days, and will then go to Washington.

### KANSAS MOB LEADERS. Father of a Lynched Negro Wants Them Arrested.

Leavenworth, Kan., April 16,-County Attorney Michael refuses to state what he will do regarding the issuing of warrants for the leaders of the mob that lynched Fred Alexander, the ne-gro. The father of Alexander is em-phatic in his demands for a parrant for W. G. Forbes, father of the girl as-saulted and who trucked saulted, and who touched off the fire at the stake. A. M. Thomas, a negro lawyer, arrived here from Topeka to-day and is said to be gathering evidence against the lynchers.

### GEORGIA IN GOOD CONDITION. Gov. Candler Tells of Affairs in His Own State.

New York, April 17 .- Gov. H. D. Candler, of Georgia, who is at the Fifth Avenue hotel, in an interview last

orgia is in a better condition today in every way than she has been for generation. There are contentment nd prosperity among all classes cotton crop was a good one and the planiers and farmers are nearly all out of debt. Manufacturering is springing

up all over the State and many cotton mills are being erected.

"While our coal and iron interests are not so large as those of some other States, it is not improbable they will be absorbed by the trusts. That seems to be the trend of events. "I have been to Washington settling up some claims of the State against the

general government growing out of the

I am glad to say that there has been a marked decrease in the number of lynchings in our State and I have been cordially aided by other officials in emplaying every recourse to secure a fair trial to all men accused of crime. There six lynchings in Georgia last ear, while in 1899 there were more than wice that many. The abominible crimes of which lynchings are the result are not the work of Georgia born negroes. These are committed by colored men who are fugitives from other States."

# A GIRL FULL OF NEEDLES.

A Hundred and Twenty Taken from a French Servant Girl.

Paris, April 16.-A dispatch from St. dermain, near this city, describes the extraordinary case of Julienne Lan-drieux, a servant girl, from whose body lozens of needles are being extracted.
The girl complained of considerable tritation of the skin and last Thursday ent to a local druggist, who found a umber of needles emerging from va-ious parts of her body. He extracted with pincers,

he girl has returned several times a day since and up to this morning the ruggist has drawn out 120 needles om her arms, hands, feet, breast, the she of her ear, her eyelids and the corner of her right eye. The girl ex-

perences no pain until she feels the needle piercing the epidermis. The needles always emerge thick end first and unless immediately extracted dis-

appear again.

Two reputable newspapers, the Matin and the Temps, have investigated the matter and vouch for the authenticity of the story. Mile Landrieux says that five years ago, when she was 11 years old she amused herself, with other children, by swallowing quantities of needles. She swallowed forty-nine in one day and never felt any inconvenience until recently, and has enjoyed the best of health.

While relating the foregoing to the appear again.

While relating the foregoing to the reporter of the Temps, who saw her at the drugists, she exclaimed: "I feel the drugists, she exclaimed: "I feel one in my eye now." The druggist then upturned her right eyelid and with a magnet drew out four fragments of

A surgeon of the hospital at La Sal Petriere said in an interview that the case was quite unprecedented. Needles inserted under the skin were known to have been borne through the muscles but there was no record of a needle in-troduced into the stomach emerging from the lobe of the ear. In such a case, the needle must have traversed the skuil, which is incomprehensible

Pool Selling in Illinois. Chicago, April 17.-Pool selling in Illinois outside of regular race tracks or fair grounds received a blow when Judge Hartsell of the circuit court of

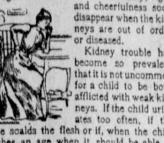

a pool room across the river from St. Hereafter, according to this decision, there can be no pool rooms in the state, no matter how complaisant local sheriffs or chiefs of police may be, as long as the state's attorney of the county

Madison county made permanent the

temporary injunction granted against

### Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, dis-courages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

ates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet tell-

objects. If the state's attorney fails to | mention this paper.

### FRANCIS B. LOOMIS, UNITED STATES MINISTER TO VENE-ZUELA.

It is now understood that the return of Minister Loomis is for the purpose of making to President McKinley a report n person of the doings of the Castro government concerning the asphalt lake dispute. Although Minister Loomis has not been recalled, it is not expected that he will return to his post. He has had enough

cost at least \$4,000,000

American workmen.

It is the purpose of the department to urge Congress to act expeditiously in order that the work of repairing men

of war can be done in American yards.

At this time the smaller vessels are re-

paired at Cavite, but the larger ships

are sent to Hongkong for docking and

important repairs. Work at Hongkong

is very expensive and Secy. Long be-lieves that the money spent in an Eng-lish port should be distributed among

EXPLORER BALDWIN.

Mason's Tools and Apron.

ner in the Masonic temple last night, Kane Lodge of Masons, named after

Explorer Kane-presented to Evelyn Briggs Baldwin, commander of the

Baldwin-Zeigler polar expedition, a set

of Master Mason's tools and apron, which he will take with him in his

quest of the north pole, The explorer will leave next Thurs-

day on the Deutschland on his way to

Norway and Sweden to fit out a supply

vessel for the expedition. These supplies will be distributed along the north

coast to be taken on as they are needed

After fitting out this auxiliary ves-sel, Mr. Baldwin will return to this

country, stopping in London to confer with Capt. Andree, a brother of the ill-

fared balloon explorer, information of

the latter's fate being one of the ob-

jects of the Baldwin's mission. He will

also stop at Dundee, Scotland, to make preparations for the departure of the America, the flagship of the expedition.

After his return to New York the ex-

plorer will visit his parents in Illinois, Then he will be ready to take charge of

the main body of the expedition, which is expected to leave New York for Dundee about June 10. Eight days later it is planned, the party will be on its way to Franz Josef land, the northernmost

The decision, however, is of import-

ance all over the state as the method of closing pool rooms, which has proven so effectual in Madison county, is applicable to Cook, Will, Dupage or any other county in the state.

## Department Wants a \$5,000,000 One on Subig Bay.

are adopted by Congress a five million dollar naval station will be established at Olongapo, Subig bay, Luzon. Upon the recommendation of Rear

Admiral Endicott, chief of the bureau of yards and docks, Secy. Long has appointed a board, consisting of Rear Admiral Taylor, Civil Engineers Wolcott and Menocol to meet at the New York

The board, of which Rear Admiral Remey was president, only selected the site for the projected station, leaving the department to determine upon its extent. The dry dock to be built at

Rebel Staff Chief Surrenders. Carter's Manifa, April 16.-The chief of staff of the insurgent Gen, Mascardo, has surrendered at the town of Marivales, in Bateau prov-Little Liver Pills. Luzon. He said that Mascardo's

band of followers, now greatly dimin-lshed are in a bad way. It is im-possible for them to elude the Ameri-cans and they are unable to obtain food and want to surrender. It is ex-pected that Gen. Mascardo himself will surrender shortly.
It is intimated that an official an-

nouncement regarding the disposition of Aguinaldo will soon be made.

A civilian, named Fletcher, accused of unlawful conversion of commissary will be tried by the provost court temorrow.

First Cargo for St. Petersburg. New York, April 17 .- The Scandinavian-American steamer Kentucky loading at Bush Stores, Brooklyn, the first cargo of the season for St. Petersburg. She will take there about 2,600 tons of cargo, including agricultural machinery, 200 tons of copper bars, pig lead, lubricating oils and 150 tons of bridge material. The Kentucky will be the ploneer in a direct line to Stockholm, as she will call there with a quantity of grain.

# ARMY SCANDALS IN PHILIPPINES.

Secretary Root Asks Gen. MacArthur for Information.

CASE OF MAJOR G. B. DAVIS.

Credited on Evans & Co's Books with \$1,000-Col. Woodruff Severely Reprimands Captain Head.

Washington, April 16.-Secy. Root today cabled Gen. MacArthur asking for additional information concerning the reports of frauds in Manila. It is expected that a reply will be received tomorrow. While definite instructions have not been given Gen. MacArthur heretofere to make a searching and complete investigation, it is understood that the requests for information were of a character to imply that the department expected such an investigation would be made. Nothing definite has been received from Gen. MacArthur about the alleged frauds, although ref-erence has been made to the investigation in cablegrams received.

The first dispatch on the subject from

Gen. MacArthur said that there had been exaggeration in the press reports, but the persistence with which the re-ports have been reiterated and the news dispatches today giving names and specific amounts have indicated to the department officials that perhaps Gen. MacArthur was not advised fully when he made his first report. It can be stated that the department intends o have all the information possible on the subject and Gen. MacArthur will be

STEWART M. BRICE

Co., is known to some army officers in Washington. Evans was in this coun-

try a short time ago, and may now be in New York, if he has not returned to

an Englishman, an American, or a Canadian. He was from Niagara, though from which side of the river is

At the commissary department Gen.

Weston spoke of his subordinate, Col. Woodruff, in the highest terms. He said: "Col. Woodruff always has borne

the highest reputation in the army as a splendid officer and thoroughly hon-est man. There might be opportunities

for small frauds in a great depot such as that at Manila, but there would have

to be collusion among the officers and sergeants in charge if frauds were car-

ried on to any great extent. It de-pends largely upon the honesty of the

commissary in charge to prevent any wrong doing, and he would be very

likely to know if there was anything

rooked going on in a large way. Where to much business is done it is al-neat impossible to make an inventory

of goods on hand. Before such an inventory is completed half of the goods

may have been taken away.

"The usual method is for the commanding general and the commissary officer in charge to go through the warehouse to inspect stores and make

statement as to the stores on hand

at a given time. It is recognized that such a busy man as Gen. MacArthur

would not be able to make any inspec-tion, and if he did he would have to

take the word of the commissary for

nearly everything, so as a matter of

fact the chief commissary has almost exclusive control and is the man held

It is not known whether he is

Mr. Evans of the firm of Evans &

as being credited upon the books

Col. Woodruff has made allusions to the arrest of the commissary sergeant in telegrams to Gen. Weston, but noth-ing like a report has been made by him. CAPT. READ REPRIMANDED.

Manila, April 16.-Speaking of the commissary scandals, a prominent army officer said to the representative of the Associated Press that he had every reason to believe that Col. Woodruff, head of the subsistence department at Manila, was not implicated He said that Col. Woodruff was one of

the ablest men in the service, and that his honesty was unquestioned.

He asserted that Col. Woodruff was ignorant of the fact that Harold A. Pitt, manager of Evans & Co., the army Pitt, manager of Evans & Co., the army contractors, was leasing him the house in which he lived for much less rental than Pitt had pald therefor. Upon discovering this Col. Woodruff immediately vacated the house. Pitt is alleged to have said that Capt. Read of the commissary department deceived Col. Woodruff, who thought Capt. Read to be thoroughly honest.

to be thoroughly honest.

'The irregularities in commissary matters were first attributed to Capt. Read's unfamiliarity with commissary work. Col. Woodruff was reluctant to believe that frauds were being perpented but the facts desclosed caused trated, but the facts @sclosed caused him to give Capt. Read a most severe reprimand and to begin an investiga-tion which may involve, according to prominent army officer previously referred to, the examination of Davis, who was the depot commissary before Capt. Read, but who was sent home on sick leave.

### JAPAN'S FINANCIAL CONDITION. Consul General Bellows Says it is Far from Encouraging.

Washington, April 16 .- The financial condition of Japan at present is far from encouraging, and the bankers, statesmen and business men are exerting every effort to avert a pending panic. This statement is conveyed to the state department in a communica-tion from United States Consul-Gen-eral Bellows at Yokehama.

The situation, as analyzed by the shrewdest financiers and statesmen of the empire, show that the Chinese in demnity secured at the close of the Japanese-China war, together with large national loans, led to the exploiting of many public and private under-takings, which caused money to be unusually pientiful among the coolle or laboring classes. This induced extra-

A dispatch to the Times from Middleburg, Transvaal, says: "Operations in the eastern Transvaal have been begun. There is no doubt that Acting President Schalkburger, Gen. Botha, Mr. Steyn and Gen. Dewet had a meeting at Ermelio, but their subsequent move-ments are obscure. Raids on the rall-ways become less frequent."

# POLITICS IN CUBA.

Havana, April 17.-Rumors are prevaent that the negroes intend to take active part in politics, and that an or-ganization is being perfected under the leadership of Juan Gualberto Gomez It is reported from the eastern provinces that negroes are aspiring to po-litical office, and will seek the same at the coming municipal elections. Poli-ticians here fear that this movement will result in the election of several ne-groes as mayors as the whites are divided by party lines, whereas the ne groes are always united.

## C. S. YOUNG MISSING.

Way to Beaumont, Texas. Denver, Colo., April 17 .- A special to

the News from El Paso, Texas, says: C. S. Young, a wealthy oil promoter of Bakersfield, Cal., was missing from an incoming Southern Pacific train near here and no trace of him can be found. Young was en route to the new oil fields at Beaumont, Texas, with several friends. When nearing the quaran-tine station he got up to go from one car to another and has not been seen since his hat and valice were left in the car. YOUNG'S CALIFORNIA CAREER.

the oil operator who mysteriously dis-appeared from a train near El- Paso, Texas, was formerly superintendent of schools in this city. He was four times a delegate representing the San Frana delegate representing the San Francisco board of education, from 1885 to 1888, to the sessions of the National Educational society. He was attorney and land agent at Washington, D. C., to secure approval of school land sections for Nevada and was president of the national convention of educators at Washington, D. C., 1886-87.

Latterly he retired from the educa-tional field and devoted himself to oil operations in Kern county, where he was reputed to control lands worth upwards of \$5,000,0000.

New York, April 17.—According to a report issued by the Labor Secretarist, an organ of the trades unions to en-force the labor laws, the butchers, bakers, barbers and others who violate th responsible. It is for this reason that a man of experience and rank is selected to be chief commissary of an important point like Manila, which is the distributing point for 60,000 troops."

Postum.

Miss Fantz I know personally has been incapable of doing a day's work while she was using coffee. She quit it and took up Postum and is now well and has perfectly steady nerves."

THERE are two values to every purchase what it costs and what it pavs you. Cork costs 8 cents a pound, but if you are drowning half a mile from shore, its value would be "not what you pay for cork, but what cork saves you." When a woman buys soaps she often confuses the two values. She sees only what she pays. She overlooks what she receives. Now a single cake of Ivory Soap pays back from ten to twenty times its cost in the saving it effects. Test it yourself! Vegetable Oil Soap. Ivory white. It floats!

were directed against the bakers last Sunday. One hundred union bakers appointed to do detective work at the bakeries with a view to bringing before the courts any master baker who refused to close his shop at 10 a. m. in accordance with the law. Only three or four of the master bak-ers refused to close their shops. One of

them was arrested as a warning to the others. In Yorkville police court he got off with a warning on pleading ignorance of the law. One hundred union butchers will be sent to watch the butchers shops next Sunday for all cases of violation of the Sunday law. The barber shops and groceries will also be watched and arrests will be made when their proprietors refuse to close

### TO STUDY BUBONIC PLAGUE. Dr. Cobb, of Marine Hospital, Ordered to San Francisco.

Alamogordo, N. M., April 17 .- Dr. Cobb, of the United States marine hospital and sanitarium at Fort Stanton. near here, has been ordered by Surgeon General Wyman to proceed to San Francisco and make an exhaustive study and report on the bubonic plague situation. It is believed this action of the government is taken to secure impartial evidence of the true conditions there and reconcile differences of on in California between federal and state authorities.

#### KILLS HIS YOUNG BRIDE. Andres Garcia Then Turns the Pistol on Himself.

El Paso, Tex., April 16.-At Jaurez, Mex., last night Andres Garcia killed his young bride and then blew out his brains. Jealousy was probably the

Garcia and Miss Anita Terres were married in Chihuahua four months ago Both belonged to the first families of Mexico, and were popular leaders of Chihuahua society. He was manager of the Jockey Club, the fashionable re-sort of Chihuahua, owned by his father, who is a wealthy property-owner. The bride was a niece of Gen. Terres, the multi-milionaire, and ex-Governor of Chihuahua, and a cousin to Enrique Creel, one of the most prominent bank-ers in Mexico. Garcia was 23 years old and his bride was 19.

The young couple came to Juarez to visit friends and were being entertained by them at a ball when the tragedy oc-curred. Both young people were educated in the United States,

NEW YORK CANAL BILL. \$16,000,000 Improvement Scheme Finally Abandoned.

Albany, N. Y., April 16.-The \$16,-000,000 canal improvement bill was officially abandoned tonight, when, after two hours' conference with Gov. Odell, the canal adherents and Republican leaders conceded that the measure would be swamped if it came up for vote. It will therefore be allowed to die in the committee of the assembly.

# WOMAN

IS LIKE A DELICATE MUSICAL INSTRUMENT

In good condition she is sweet and lovable, and sings life's song on a joyful harmonious string. Out of order or unstrung, there is discordance and unhappiness. Just as there is one key note to all music so there is one key note to health. A woman might as well try to fly without wings as to feel well and look well while the organs that make her a woman are weak or diseased. She must be healthy inside or she can't be healthy outside. There are thousands of women suffering silently all over the country. Mistaken modesty urges their silence. While there is nothing more admirable than a modest woman, health is of the first importance. Every other conelderation should give way before it. Bradfield's Female Regulator is a medicine for women's ills, It is

thesafestandquickest way to cure leucorrhea, falling of the womb, nervousness, headache, backache and general weakness. You will be astonished at the result, especially if you have been experimenting with other so-called remedies. We are not asking you to try an uncer-tainty. Bradfield's Regulatorhasmade happy thousands of What it has done for others it can do for you. Sold in drug stores for \$1 a bottle.
